<https://www.holycrossrochester.org/index.php/stream>

## Optional

- iReady Reading & Math, "My Path"
- AR test (you can find AR books on Epic)
- Math or Reading "extensions" from our website
- Math book pages
- "Practice & Homework" pages

# TECHNOLOGY

Computer Programming:

We are going to work on some simple coding in Code Monkey. The website is: <https://app.codemonkey.com/login>

Students will use their first name and last name with no spaces for their logins. It also does not matter if you use capital letters or all smallcase. Example: marthagrant or MarthaGrant

The password is: holycross.

There are no apostrophes in the logins. So Shawn and Te'O your usernames will be:

shawnodell

teomartinez

Axel Osso-Goitom, your username will be axelossogoitom

Once you are logged in, scroll down and choose "Code Monkey Jr". It has a monkey and a treasure chest. Drag the arrow symbols to the boxes to get the little monkey to move. The object is to get to the treasure chest and pick up bananas along the way. If you have any trouble, just email me and let me know. I will try to help you. **-Mrs. Grant**
